**ADDENDUM NO. 4
BID OPENING: MARCH 3, 2015**

TO: ALL BIDDERS
FROM: LYNN CRAWFORD, BUYER
DATE: MARCH 2, 2015
RE: RFQ 51415Q0143, SURFACE MOUNT BIKE RACKS

This addendum is issued prior to bid opening to provide for modifications in plans and/or specifications. All bidders must attach this form to the original Bid/Quote Form. This completed, signed form will serve as acknowledgement that revised information has been received and the Bidder's bid is based on the revised specifications.

1. QUESTIONS/ANSWERS:

Question 1: I believe what you're looking for is a rack that is galvanized and treated with thermoplastic. This is what has been verified by other people at our city, but the spec notes galvanized pipe in one section and thermoplastic in another but doesn't clarify. Please clarify.

Answer: Material should be: 2" schedule 40 pipe (2.375OD) – Galvanized **should be excluded** at this stage.

Finish should be: After fabrication, including welding of logo plate, the entire rack should be hot dip galvanized, lightly sandblasted and finished with 8-10 mils of black thermoplastic.

2. BID OPENING DATE:

The Bid Opening Date is hereby changed to read: March 5, 2015 12:00 noon. Change all references.
